# Worship God

## TODAY'S WORSHIP SERVICE AT 9:00 AM & 10:45 AM

**Today's service is meant to be an opportunity to worship God, praising and honoring Him while experiencing His loving presence.**

Some of the most heartfelt writings of the Bible are found in the Book of Psalms. There is praise and thanksgiving, fear and bewilderment, comfort and loneliness, and all of it sung to God as an authentic expression of faith. Meant for both our private devotion and our public proclamation, the Psalms encourage us to live out our faith, in all its complexity.

This morning, Pastor Chet continues his sermon series in the book of Psalms

**His sermon is entitled  
"Psalm of the Word"  
Psalm 119**

**Our service will also include...**

**Singing:** You are encouraged to whole-heartedly join with our worship team in singing praises to God.

**Communion:** We remember the work of Christ on the cross by celebrating communion together. All who have placed their faith in Christ are invited to participate. You will be served by Elders and other leaders of PBC.

**Prayer:** If you have come with a concern or burden today, we have a team of men and women available to pray with you at the front of the sanctuary immediately following our service.
